

Section 1: Purpose

This policy governs the collection storage and processing of digital data.

All organisations must appoint a Data Protection Officer DPO.

Section 2: Data Subject Rights

Every data subject has the right to access their personal data.

Data subjects may request erasure of their data within 30 days.

Data portability rights allow transfer of data between processors.

Section 3: Penalties

Violation of data protection rules attracts a fine of up to 250 crore rupees.

Repeated violations may result in imprisonment of up to 3 years.

Organisations must report data breaches within 72 hours of discovery.
